#### INDEPENDENT AUDITORS' REPORT

Board of Directors United States Curling Association, Inc. Stevens Point, Wisconsin

We have audited the accompanying statements of financial position of the United States Curling Association, Inc. (a nonprofit organization) as of June 30, 2007, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audits. The prior year summarized comparative information included in the statements of activities has been derived from the Organization's 2006 financial statements and in our report dated October 25, 2006. We expressed an unqualified opinion on those statements.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the United States Curling Association, Inc. as of June 30, 2007 and the changes in net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The other financial information in the accompanying supplementary schedule is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

#### **Notes to Financial Statements**

June 30, 2007 and 2006

## 1. Significant Accounting Policies

## A. Nature of Operations

The United States Curling Association, Inc. represents curling nationally and facilitates the growth of the sport through a network of member state and regional associations.

## **B.** Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. These classes are described as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

**Temporarily restricted net assets** - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Association and/or the passage of time.

**Permanently restricted net assets** - Net assets subject to donor-imposed stipulations that may be maintained permanently by the Association. Generally, the donors of these assets permit the Association to use all or part of the income earned on related investments for general or specific purposes.

## C. Inventory

Inventory is recorded at the lower of cost or market on the first-in, first-out basis.

## D. Property and Equipment

All acquisitions of property and equipment are capitalized at cost and depreciated on the straight-line basis over estimated useful lives.

## E. Cash and Equivalents

The Association considers demand deposits, certificates of deposit not held in trust, and money market savings accounts to be cash equivalents for the purpose of the statement of cash flows.

## F. Trade Receivables

Trade receivables are recorded on the accrual basis of accounting. Based on past history, management has determined that no allowance for uncollectible trade receivables is necessary at June 30, 2007 and 2006. Trade receivables that are deemed uncollectible by management are written off in the year they are determined to be uncollectible.

#### G. Revenue Recognition

Revenue recognition of contributed support follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 116, Accounting for Contributions Received and Contributions Made, whereby pledges are recorded when made and contributed support is classified as unrestricted or restricted, depending on the existence of donor stipulations that limit the use of the support.

## H. Funds Held for Others

The American Curling Foundation and Museum transferred all of its assets and liabilities to the Association. The funds, while in the possession of the Association, can only be spent by and for the American Curling Foundation and Museum.

#### I. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### J. Income Tax Status

The Association is generally exempt from income taxes under Internal Revenue Code Section 501(c)(3). Income from certain of the Association's specific activities is considered unrelated business income and is subject to taxation. Taxes on these activities for the year ended June 30, 2007 and 2006 were \$0 and \$(933), respectively.

## K. Functional Expenses

The Program Services function includes all expenses directly related to Association's activities and programs for curlers. The Supporting Services function includes management and general expenses not directly associated with activities and program expenses.
